WaterArmor® Waterproofing Sheet Membrane & Water-Tite® PVC Shower Pan Liner

WaterArmor Waterproofing and Crack Isolation Sheet Membrane is a 20-mil thick, 2m wide, highly flexible sheet membrane for bonded waterproofing applications. The 2m wide roll reduces seams in the shower.

WaterArmor meets ANSI A-118.10 and A-118.12.

WaterArmor Waterproofing Sheet Membrane accessories include interior and exterior corners, pipe seals and mixing valve seal.
